"While many Caribbean destinations offer escapes into nature, San Juan's strength is its history and culture. A walking tour of Old San Juan is a good place to learn about its colonial past (Patria Tours offers two-and-a-half-hour itineraries for about \$5), including entrance to Castillo San Cristobal, which the National Park Service says is the largest fortress in the Americas)."

BEACHES, SHOPPING, HISTORIC SITES AWAIT AT THIS 503-YEAR-OLD CITY

CHRON.

"Old San Juan sits on the ancestral land of the Taino people. It was founded by the Spanish as a military outpost in 1521, making it the oldest city in the United States. This isn't to say it's a relic of the past. An exciting art, culture, and culinary scene blooms amid the narrow cobblestone streets, ancient citadels and pastel-hued architecture."

Condé Nast Traveler

"For a lush and colorful Caribbean honeymoon, explore Puerto Rico's less-visited west coast. Fly into San Juan, rent a car, and head to the charmingly small and coastal municipal of Isabela. Head to Playas Hobos for the locally loved and serene beach of Playas Jobos."
