PUERTO RICO'S OFFICIAL MEETING PLANNING GUIDE

DISCOVER
Puerto Rico

IT'S TIME TO PLAN FOR PUERTO RICO!

Your attendees will explore turquoise deep dives, non-virtual happy hours and safe ways to connect. And with numerous ways to meet with our beaches, mountains and rainforest as your backdrop, planning a meeting in Puerto Rico will be as stress-free as our Island. As a U.S. territory, Puerto Rico offers the allure of an exotic locale with a rich, vibrant culture, without needing a passport or currency exchange. Accessibility to the Island has never been easier, with direct flights from domestic locations like New York, Charlotte, Dallas and Atlanta, to name a few.

Outdoor options will continue to be an attractive alternative. Home to one of the world's largest dry forests, the only tropical rainforest in the U.S. National Forest System, hundreds of underground caves, 18 golf courses and so much more, Puerto Rico delivers profound outdoor experiences, like kayaking the iridescent Bioluminescent Bay or zip lining through a canopy of emerald green to the sound of native coquí tree frogs.

The highly anticipated Distrito T-Mobile, opening this year in our convention center district, is an exciting new entertainment option. With an exhilarating urban zipline, large high-tech open air plaza and numerous restaurants and bars offering authentic food, music, beer and rum – your attendees will become immersed in the local flavors and colorful music and art of our Island when your meetings are finished each day.

We'll welcome you with genuine, warm Island hospitality. Take an exotic departure with your next meeting or event in Puerto Rico, the only US destination offering an international experience, without the need for a passport. Find out more at DiscoverPuertoRico.com/meetings.

CULINARY AND COCKTAILS

With endless evolution and constant transformation, Puerto Rico has evolved into a “foodie paradise”, incorporating many different influences and traditions.

Combining traditional and trendy flavors, merging international and local cuisine, and reinventing those abuelita recipes, our chefs will take your attendees on a wonderful journey of flavors and experiences.

The Island’s cocktail scene has evolved with equal care. Puerto Rico is the birthplace of the piña colada, and you’ll find that an innovative approach to refreshing drinks continues to this day.

Whether it’s one of the world’s top bars in Old San Juan, a mixology class, a tasting of local rums, or a poolside cocktail, your group find numerous ways to experience our unique cocktail culture.
